FROM OUR PASTOR.....

WELCOME, FATHER DANIEL VOGT

As part of the St. Louis Archdiocesan Missionary Plan of Cooperation, Annunziata welcomes Father Daniel Vogt who makes an appeal for their missionary cause and asks for parishioners' prayers and financial support. Through this program, parishioners also learn more about the missionary work of the Church, which leads to a better understanding of our Baptismal calling to share in the mandate of Our Lord: "Go therefore and make disciples of all nations..." (Matthew 28:20)

TUCKPOINTING HAS BEGUN

I believe our parishioners have been, and continue to be, faithful stewards of the heritage that has been handed on to us. In caring for our homes we all know that one of the best ways to avoid major repairs is regular care and ongoing maintenance. Preventative maintenance is sustainable by keeping our Church in good condition to save the energy and materials needed to repair them.

On a planned basis we undertake regular inspections to assess conditions, identify problems and decide whether work is necessary. In the past year, during the pandemic, we have paid particular attention to the exterior of our Church which is of buff Indiana limestone, with smoothly finished limestone trim, and Vermont slate roof. In keeping with Archdiocesan policy, we have had an independent consulting company assess the scope of work. We have obtained several bids. We have consulted with our Parish Finance Committee, and have signed a contract with James G. Staat Tuckpointing and Waterproofing Company.

The Base Bid for the Church includes this scope of work: remove all efflorescence, bio clean with Prosoco Bio Wash and hot water, spot tuckpoint all elevations by removing existing mortar with analysis for proper psi strength, remove all settlement cracks, weathered joints, grind to 3/4" in depth, install new mortar to match tooling, texture and color, cutout and recalk all sky facing joints, cutout and recalk all window perimeters, seal all limestone with Natural Stone Treatment, seal all brick with Prosoco PD, replace twenty brick units, patch limestone. Access will be by aerial lifts and scaffolds. Total Bid amount is \$251,706.00.

Covid-19 Delta Variant Protocols

Annunziata Parish is following the guidelines from the Center for Disease Control, the scientific data from physicians whose speciality is Virology, and the recommendation of the Archdiocese of St. Louis. We are WEARING MASKS inside Church for Mass except to receive Holy Communion. In addition, we continue to social distance using every other pew. These guidelines are for everyone over 5 years of age, whether you are vaccinated or not. Science shows that wearing masks helps protect you and others.

In a video made for release today (August 18th), Pope Francis stated, "Thanks to God and to the work of many, we now have vaccines to protect us from Covid-19. They grant us the hope of ending the pandemic. Getting vaccinated is 'an act of love for oneself, family, friends, and all people. Vaccination is a simple but profound way of promoting the common good and caring for each other, especially the most vulnerable.'

Prayer of Pope Francis

O Mary, you always shine on our path as a sign of salvation and of hope.

We entrust ourselves to you, Health of the Sick, who at the cross took part in Jesus' pain, keeping your faith firm.

You, Salvation of the Roman People, know what we need, and we are sure you will provide so that, as in Cana of Galilee, we may return to joy and to feasting after this time of trial.

Help us, Mother of Divine Love, to conform to the will of the Father and to do as we are told by Jesus, who has taken upon himself our sufferings and carried our sorrows to lead us, through the cross, to the joy of the resurrection.

Amen

PSR

The gift of faith is the greatest gift we will ever give to our children. Why? When we live our faith we understand the power of God's love and the great joy that only His love can bring. We need this joy now more than ever. Annunziata's Parish School of Religion is here to support our families in sharing the gift of our Catholic faith.

ANNUAL
CATHOLIC
APPEAL

DID YOU USE WATER TODAY?

If you most likely did you probably did not doubt IF water would flow from the faucet or IF the water would be safe to use. Most people in the developing world do not have the privilege of clean water. Pope Francis calls clean drinking water a basic and fundamental human right. This weekend Father Daniel Vogt, a longtime missionary in Guatemala, Chaminade and St. Louis University graduate, will share with our parish his project to provide clean drinking water to rural Guatemalan families. Clean drinking water saves lives and is key to any development or growth.

Please be supportive of this initiative.

You can help!

In today's Gospel, Jesus asks "Do you also want to leave?" We must ask ourselves if we really want God to break into our consciousness, change us and call us to hear the cries of the poor? Reports tell us that St. Louis has one of the nation's highest child poverty rates. Nearly 40 percent of St. Louis' children live in poverty. You can help by supporting Annunziata's St. Vincent de Paul Society.

Thank you for your generosity!

Please pray
