

Annunziata PSR 2021/2022

COVID-19 Protocol

1. All students and teachers will be required to wear a face mask over their nose and mouth at all times while on the premises of the church and school, regardless of whether they are vaccinated or not. This includes when waiting outside for carpool. *Size appropriate masks will be available for those who need one.*
2. Children will enter a sanitized classroom.
3. Hand sanitizing stations will be set up inside of each classroom, and students will be required to use the hand sanitizer before and after class.
4. Students who mention or appear to not feel well, should be sent to the office. Temperatures will be taken with a touchless thermometer. In the event of fever, and/or concerning symptoms families will be contacted.
5. As always, each student will be provided with their own workbooks, pencils and/or crafting utensils. This year, these items will be stored and labeled in Ziploc bags.
6. Students will sit as spread out as possible in assigned seats. Weekly attendance will be taken and turned in to the office for record keeping.
7. At the end of class, all items should be returned to the labeled bags.
8. At the end of class, desks and/or tables and chairs will be disinfected with Clorox wipes (other provided disinfectant may also be used).
