

Divine Mercy Image  
*“It’s Not Just a Picture of Jesus”*

...  
(Flynn, pp 109)

It is my hope that after meditating on the Divine Mercy Image over the past 8 weeks you can now see that this image, as Vinny Flynn summarizes in his Chapter, “*Secret #3, It’s Not Just a Picture of Jesus*”:  
“...is not just a picture of Jesus for *us to look at.*”

Rather it is truly, “an icon that helps us enter into the reality of  
*the way God looks at us,*  
that helps us see with our inner eyes  
*the way God Loves*  
and thus {we} come to know our Father God, as He is:  
“merciful and gracious,  
slow to anger and  
abounding in steadfast love.” (Ps 103:8)

I encourage you to pick up Vinny’s book to learn and understand more about  
God’s Divine Mercy.
